

# Temperature Control Units.

Buy direct from the  
manufacturer

No Problem. We have manufactured these for Conair (XURSH / W G for several years and you can now buy these direct from the manufacturer.

We can offer you temperature ranges of 200, 300 and 350°C, with heating ranges from 9 - 96kW and a range of pump options.

Features include stainless steel heat exchangers, magnetic drive pumps and full microprocessor with dual temperature display.

Call Tricool Thermal free on **0800 977 5709** or log onto our website [www.tricool.com](http://www.tricool.com).
