

Tricool Thermal appoint new distributor in France

Tricool Thermal the UK's largest manufacturer of chiller and temperature controllers are pleased to announce the appointment of a new distributor in France.

Tricool Thermal in Europe

Tricool Thermal have been very successful in European markets with both their standard range of products and services and their specialist capabilities.

Tricool Thermal's standard Heater Range.

With over 30 years experience in the UK market Tricool Thermal have created a partnership with **Mac Technology**, to take Tricool Thermal product range into France.

Based in Paris, Mac Technology have been in business for over 20 years selling mixers, vessels and associated plant to the following sectors:

Pharmaceutical
Chemical
Food
Cosmetics
Petrochemical

With offices in both Lyon and Paris, Mac Technology have the experience and industry knowledge to complement Tricool Thermals manufacturing expertise.

Marc Chef, Director of Mac Technology said. "We are delighted to add Tricool Thermal's quality products to our portfolio and have seen success with high profile clients already"

Commenting on the announcement **Dave Palmer, Tricool Thermal's Manufacturing Director** said, "We are pleased that our French based customers can now benefit from a local service delivering a wide range of goods direct to the customer.

By working closely with our new partners, our customers will receive the benefits that both companies can provide."

European Contact

For sales enquiries in France customers can now contact Mac Technology for a direct personal service.

Mac Technology can be contacted directly on Tel : 01 64 06 42 42 - Fax : 01 64 06 45 93.
