

Temperature Controller Scrappage Scheme

Up to £2,000 off your new heater with Tricool

Do you have plans to upgrade your temperature controllers?

Do you need to replace an old mould temperature unit?

No Problem. Tricool can help you and your business by supplying a brand new energy efficient piece of equipment and also, take your old equipment away.

We're also giving away up to **£2,000 off a new Tricool heater** (water or oil) when you trade in your old one. All of our equipment is built here in the UK.

Interested now or planning a future project? Then please contact us free on **0800 977 5709** or **info@icstemp.com**, and we can send you further details or we can arrange for one of our local sales engineers to visit you on site.

Water Heaters up to 160°C • Oil Heaters up to 350°C • Thermoregulators up to 95°C • Bespoke Units

Tricool Heater Scrappage Scheme

Trade in your old temperature controller for a new one with Tricool.

Tricool Scrappage Scheme Details

Have a heater that's over 5 years old?
Then you qualify for the Tricool Scrappage Scheme.

We will give you a discount off your new heater or temperature controller of up to **£2,000**, when you trade in your existing unit.

Your local Tricool sales engineer will visit your site and make an assessment with you about your equipment and what we would offer you in part exchange.

Tricool can then arrange to dispose of your existing heater for you and help install your new equipment if required.

We can offer you expertise in sizing and recommending the correct heater for your application, including any additional pumps, pipework and ancillaries.

With over 30 years experience in the UK, Tricool are proud of our reputation and can offer many temperature controllers ex-stock, here in the UK for next day delivery.

Why Change your Heater Now?

Tricool can offer you a wide range of water and oil units and also a Combi unit to provide both.

All of these are manufactured here in the UK and are available for a **FREE TRIAL** to prove that they are suitable for your application.

We can also offer you flexible payment terms and expert after sales service from our own dedicated mobile nationwide service engineer team.

It has never been a better time to upgrade your heater and temperature controller with Tricool.

Please call us free on **0800 977 5709** to register your interest and receive further information.

Tricool offer a wide range of equipment, most of which is ex-stock
